

COUNTY OF SAN DIEGO

WHAT YOU NEED TO KNOW ABOUT A PRICE VERIFICATION INSPECTION

Department of Agriculture, Weights and Measures

Nancy Appel, Supervising Inspector

What we noticed:

- Many retail stores using POS
– Point-of –Sale Systems
- Consumer Complaints
- Overcharges/Undercharges

Consumer Protection Act of 1999

- County Ordinance adopted February 2, 1999
 - Retail price scanners are registered with AWM.
 - Registration and reinspection fees fund inspection program.

FEES support the program

Based on number of POS stations

- 1 – 3 POS stations = \$145
- 4 or more POS stations = \$170

Reinspection fee = \$83/hour

Inspection Program

- Inspections are unannounced to reflect an “as found” condition.
- Inspector notifies management unless undercover (e.g. complaint or special investigation).
- Owner or management are not required to be present for the inspection.

What to Expect During an Inspection

Inspectors follow Business and Professions Code Section 13350.

- 1 – 3 P.O.S. stations,
minimum of 10 items
- 4 – 9 P.O.S. stations,
minimum of 25 items
- 10 + P.O.S. stations
minimum of 50 items

During an inspection...

- A maximum of 50% sale items may be selected.
- Randomized sampling procedure:
 - used for routine inspections
 - not required for complaint investigations and follow-up inspections.

Inspection Results

- Accuracy includes overcharges and undercharges.
- Intentional undercharge is not an error.
- Meet with manager or price coordinator to review findings.
- Errors to be corrected immediately before inspector leaves.
- Return sample items to shelves if necessary.

Consumer Rights

ATTENTION CONSUMERS:

Check your receipt and notify store management immediately of any overcharge.

Consumers are entitled to pay no more than the lowest posted, advertised, or quoted price for any commodity offered for sale at a retail establishment.
